TERMS AND CONDITIONS

1. The Sales management acts only as an agent. ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.
2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there are no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
3. Terms of sale are cash and payment in full to be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to ensure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer.
9. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise specified.

10. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof; but possession of the horse cannot be obtained by him until payment in full has been made.
11. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
12. There will be an insurance agent on the grounds for anyone wishing to obtain insurance on their horses. Transportation will also be available at reasonable rates anywhere in the United States.
13. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and Coggins tests the day of the sale. They should be turned in to the office before the sale.
14. Registration papers will be issued immediately on cash, certified checks, or money orders only. HORSES WHO ARE PAID FOR BY PERSONAL CHECKS WILL HAVE ALL PAPERWORK MAILED TO THE NEW OWNER ONCE THE CHECK HAS CLEARED WHICH MAY TAKE UP TO 30 DAYS.

**NO SALES TAX
on horses purchased
in Minnesota**

BUYER'S RESPONSIBILITY

The Buyer has a responsibility to examine a horse carefully and completely before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case, you still own the horse. The seller is not responsible for you, if you don't shop the horse. Once you bid on a horse, you are indicating that you have shopped enough to satisfy yourself and no one else is responsible.

OP JAZZ FRECKLES aka "Oscar" is a well-built, thick, good bone, and hooves, 5yr old Red Roan Gelding, stands 15h. Oscar is great in the arena, walk, trots, lopes around great, levelheaded, smart, and willing. Stands tied for vet, farrier, tacking, and grooming. Oscar has been used for all aspects of ranch work, been on cattle, loaded cattle in trailer, checked fences, goes through water, will ride out alone or with others, has also been rode down the trails. Oscar has been started on the barrel pattern and took to it pretty quick; he could easily become a barrel horse.

Blaze is a 15H, solid-built, 2009 sorrel AQHA gelding with a lot of life. Was shown last year at the local 4-H county fair in several classes; blue ribbon in the halter gelding class. Knows the barrel and pole patterns; has been taken to local speed events. Sides passes and backs up quiet; appears to have some "cowy" background. Sure-footed trail horse, goes through water, mud, wooded areas, over logs, bridges, etc. Does not spook. Rides on the road; rides alone or together. Good for farrier and vet. Picks up all 4 feet and stands quietly for saddling, grooming, bathing, etc. Loads and unloads well. Blaze has a strong personality and is best suited for a confident rider with some experience. His most frequent rider is a 15 year old girl with 5 years of riding experience. When ridden consistently, he performs well. If he sits too long, he will need a refresher. Overall, a good mount for someone looking for a strong partner.

Ed is a finished head and heal horse. We have owned Ed for the last 5 years. Ed has been to every Junior/High School Rodeo and Little Britches Rodeo in Wisconsin. If you have youth looking to move up to the next level Ed will get you there. Ed works both ends and is really good in the box. You can rope one or 20 steers in a row. He requires very little scoring. This horse was used as a back up PRCA Head horse prior to us purchasing him for Tyler to team rope on. Tyler has moved up to another horse so this is now giving us the opportunity to sell Ed to someone else that can improve their roping skills

He also enjoys trail riding! He is the first to greet you in the pasture and would love to just hang out with you all day. Sweet, loving and goofy personality. Maserati has been hauled on several camping trips throughout the Midwest and seen miles and miles of trails. She is laid back, patient, willing, and trained to lay down on cue. Maserati has also been on cattle, which she showed a lot of interest in. Talk about a mare that is absolutely GORGEOUS!! Lacey is an 6 year old 15.2 hand STOUT grey mare!! Lacey has been my personal mare for the last 2 years and I have done just about everything with her!! She is started on the barrels and poles but rather go slow than fast. Lacey would make a great youth rodeo mare for someone just starting to rodeo or do fun shows! She has had little kids ride her, inexperienced riders ride her and they all fall in love while riding her! Lacey is super quiet and gentle. She has done trails, chased cattle, and opened/closed gates! She will walk, have a nice little trot, and slow lope! Lacey will neck rein, spin, slide stop, back up, side pass, and do both leads!! She is very handy but quiet mare suitable for anyone! Lacey stands great for the farrier, is perfect to get bathe, and easy to catch!!! She is gorgeous, huge made, and handy broke mare that you don't want to miss! Pictures don't do her justice!! Have any questions don't be afraid call/text I'd be more than happy to answer!!
