TERMS & CONDITIONS

1. The Sales Management acts only as an agent. **ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.**
2. The highest bidder will be the buyer. If dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there are no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid.
3. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
4. All horses must be paid in full in the sales office prior to leaving the premises.
5. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until they can be removed.
6. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
7. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
8. Every effort has been made to ensure correctness of the catalog. However, the sales management and auctioneer are not responsible for errors or omissions, and therefore assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding any horses sold.
9. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer once struck off by the auctioneer.

10. Immediately after the horse is sold, it will become the sole risk and responsibility of the buyer, but possession of the horse cannot be obtained until full payment has been made.

11. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.

12. Transportation will also be available at reasonable rates anywhere in the United States.

13. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and Coggins tests the day of the sale. They should be turned in to the office before the sale.

14. REGISTRATION PAPERS WILL BE GIVEN TO THE BUYER AS SOON AS CHECKS HAVE CLEARED. PAPERS WILL BE GIVEN TO BUYERS WHO PAY WITH CASH, CERTIFIED CHECKS, OR MONEY ORDERS.

15. Any and all legal disputes will hold jurisdiction in the state of Minnesota.

BUYER'S RESPONSIBILITY

The buyer has the responsibility to examine a horse carefully before they bid on it. If you have any concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case, you still own the horse. The seller is not responsible for you if you don't shop the horse. Once you bid on a horse, you are indicating you have shopped enough to satisfy yourself and no one else is responsible.

Cowboy is one cool horse! He is a shapey 14.1 hand APHA blue roan gelding with a ton of style and UNIQUE coloration. He is sired by Trashman, who is an own son of the renowned GunnaTrashYa. Cowboy's a good, quiet, well-broke gentleman who is wise beyond his years. He has wonderful gaits and is easy to ride. Cowboy has all the right buttons and does everything his rider asks of him. He's a more "whoa" than "go" kind of guy but will move out when asked. Slow and steady is his favorite. He is solid whether you're riding him in the arena or out on the trails. Cowboy is totally safe and gets along great with other horses and all types of riders. He's an easy keeper and is the same horse every day. He has a lot of stop and turn, side passes, will long trot for all the ranch riding styles, and just wants to be an all-around good horse. He will cross water, go get the mail, drag objects, cross heavy brush, etc. Plus, he's seen cattle so he's no stranger to anything outside of the arena walls.

Cute, gentle, athletic, and kind are all good words to describe this gelding! Johnny has been successfully shown by open and non-pro riders, earning \$974.74 in the NRHA! Super cute turns, gorgeous circles, and huge stops make him very competitive at any level in the reining. He also can switch over to the ranch riding and ranch events. He clips, loads, and bathes with ease, and will stand at a mounting block for someone to get on. We've rode him out on the trails and in the water. Nothing seems to faze him. Johnny doesn't mind going over the poles, trail obstacles, and doesn't mind traffic outside. His size is great for someone that isn't looking for a big horse to get on and off of. Also, Johnny has been ridden by beginners, youth kids, and nothing seems to bother him! He will be a pleasure to have around.

If Barbie could pick a horse, I'm sure Boonsmals Sugar Star would be the one! Standing 15 hands tall and weighing 1250lbs, he is as wide as he is tall, and just as sweet too. Boon is a 2020 model registered AQHA gelding with dapples and a white mane and tail. Boon is well bred, going back to Peptoboonsmal on the top and Sierra Te on the bottom. If you're looking to rob banks or need to make a fast get-away, you better find a different horse. Boon is all about the laid-back life. Slow and easy is his preferred speed, making him a perfect pick for a family horse! Boon is great on trails... steep slopes, rocky terrain, creeks, logs, ditches... he crosses it all with ease and is never in a hurry! But if you need to go play cowboy, Boon will get out and work all day for you. He has been used out on the ranch for pasture roping and doctoring. He will hold whatever you tie to him, and he doesn't get upset when a bad situation arises. Boon lopes slow and easy in nice circles, spins both ways, slide stops... he has the moves to go along with the good looks! Boon is the horse that can make grandma look and feel like a cowgirl. He is the one that the whole family can ride and the one that the whole family will love! Looks, pedigree, training, experience, safe...it's no wonder Barbie would pick this horse!

Maverick is a gorgeous 14.3 hand buckskin dun gelding. He has tiger markings on his legs, and a thick dorsal stripe down his entire back. He has wonderful conformation and is as pretty-headed as they come - check out those big, kind doe eyes! Maverick is the total package. He is good-minded, and talented, as well as stunning. He's an NRHA money earner and has won money in all divisions from the Open caliber to the Non-Pro/Rookie levels. He takes great care of his riders, regardless of their experience level. Maverick is more whoa than go and is the same horse every single day. He doesn't need to be ridden all the time to stay broke. He is a huge stopper and has a great set of spins. His gaits are all incredibly smooth to ride, and he steers with ease. Maverick is easy to get along with, and even easier to look at. He's truly one of those rare horses that checks all the boxes! Maverick has been used in parades and has worked at rodeos carrying flags. He truly is the definition of versatile!

Otis is a stunning bay and white APHA gelding that is a pleasure to look at and own. He's 15.3 hands and built. He has great bloodlines and is by a son of RL Best of Sudden! We've been doing everything from trail riding and obstacle courses to using him to gather the roping steers. He doesn't mind going down the road with cars, semis, tractors or even buggies. He has a really soft lope, and cute jog that you can sit all day long. Otis loves to be brushed, bathed, and loves attention. He's gentle enough for someone to step on and feel confident right away with his solid disposition and good mind. We have him broke to get on and off with a mounting block, and he will stand flat footed till you're ready to go. He's seen a ton of outside miles and doesn't mind going anywhere you point him. He has been a barn favorite at our place and hope you will enjoy him as much as we have.

He's by GunnaTrashYa, who needs no introduction, and is out of a top producing mare, one of the best ones in the whole reining industry, Dun Its Deja Vu. He was the 2024 NCRHA Fall Fling Reining Futurity Reserve Champion - his FIRST time being shown! His NRHA LTE \$865.42 and counting because he's not done winning yet! Romeo is a blast to ride; he is responsive and athletic. He is a HUGE turner and can +1 his spins. He's a strong stopper, and a very stylish, low headed circler. He's a cute jogger but don't let that fool you. Romeo will extend his trot and stand out in the ranch classes too! Romeo is so sweet and just a joy to be around. Ralph is an outstanding gelding that has been a pleasure to train. He is the earner of \$4602.46 NRHA this year with limited showing last year as a three year old. He's very athletic and talented AND can plus all the maneuvers! I believe as a four year old, he will be even better - very solid with experience under his belt. He's easy to get into his gaits, and really smooth to lope around. He's also very quiet in his stall and stands great for the farrier and to be groomed. If you're not looking to show, I also think he would be a great heel horse because he can take a lot of pressure and doesn't overreact. Feel free to reach out and come try him before the sale.

Amos is everybody's favorite color - BUCKSKIN! He's a stout gelding, definitely a tank. He stands about 15 hands tall and has a ton of muscle and bone to him. Amos is not just a pretty face, he's an NRHA money earner too! He likes to work, and is always happy-go-lucky, and funny. We have followed Amos from the time he was a foal to his derby years and jumped on the opportunity to bring him into our program! Amos is smooth at all gaits, he's a stand out in the ranch classes as well as the reining. He has a lot of stop, turn, and will do whatever is asked of him. Amos has been ridden outside a bunch, and is always the same level-headed, quiet guy no matter what we do with him. Trail rides, horse shows, local ranch events, etc. Amos is a special horse and if you meet him, you'll instantly understand why.

Peppermint is a 15 hand buckskin gelding that is safe for absolutely anybody! With his beautiful color and big dark eyes, he stands out wherever he goes. He's used to cattle, and he's been roped off of. He's also great outdoors and on the trail – he will cross absolutely any obstacles in front of him! Peppermint is the same horse every day, and "stays broke" - meaning he doesn't need to be at the trainers every season for a tune up. He is totally sound and has no vices.

Amigo is by a son of Gunner and has great horses all over his papers. He stands 14.3 hands, has great conformation, and CHROME for days! Two baby blue eyes, a bold white face, and bright white stockings. He has TONS of mane and tail too. Amigo is a finished reining horse with all the maneuvers under his belt. He is a big stopper, easy to spin, and circles low headed with a lot of style. Most recently, Amigo has been shown in the ranch horse events. He won his class the first time he was entered. He excels in ranch versatility and is incredibly competitive with his extended gaits and consistency in the pen for all of those class types. Amigo is wonderful to trail ride too! You'd never know he's a show horse based on how he handles outside terrain and new obstacles. He crosses water with ease, doesn't mind traffic, and isn't spooky. He's as solid as they come. He is safe for all types of riders from novice to advanced. Amigo even lets a 3 year old girl groom him and lead him around. Amigo has wonderful manners, and no vices whatsoever. He has been hauled all over the country and acts like he's home wherever you bring him. Amigo stands for the farrier, clips, bathes, loads, etc. He's used to small children, dogs, as well being turned outside with other horses. Amigo is one of my favorite horses!

MIDNIGHT

2019 Black Draft Cross Gelding ~ 16 Hands

If you're looking for the "Cadillac" of draft crosses, Midnight is your man. He stands 16 hands, weighs 1600 lbs, wears a size 4 shoe, and moves swifter than most half his size. He is well put together with a big square hip, short back, cute head, and not to mention his stunning coal black color that shines. Midnight is broke the best to ride, and drive. We acquired him from a good Amish friend where he grew up and put in many long days learning to work. Midnight is broke single and double, drives on either side, and has been hooked to every piece of farm machinery you can think of. He is an excellent carriage horse with his easy-going temperament, and sturdy size. Midnight is easy to catch, stands well to be brushed, bathed, shod, harnessed or saddled, and stays gentle with any amount of time off. He rides extremely well in the arena as well as out on the trail. Midnight will pop right into his leads with ease, stops well, rolls over his hocks, side passes, and is soft in the bridle. Midnight's gaits are very smooth, and he truly does ride like a quarter horse. Not to mention he will slide right over to a fence or mounting block for you to step on. We have had several friends take him for a spin, and everyone has complimented just how cool he really is. We have hauled him to ranch rodeos, state parks, fun day shows, and weekend camping trips. Midnight has been a barn favorite around here for 2 years, and he will be missed. He is one fancy Percheron/Quarter cross that knows what a day's work is all about. He has his whole life ahead of him. Whether you want to ride, drive, or just own the most beautiful black crossbred, Midnight has been there, done that, and is ready for you to enjoy. 100% sound, and current on Coggins, dental, deworming, and farrier!

Trip stands 15 hands and is well-built! He has a gorgeous head, a strong topline, and just paints a pretty picture anytime you glance at him. He is bred well by Not Ruf At All and out of cow horse bloodlines on the bottom side. He is as versatile as they come and has done it all! He's finished in the reining, and has been shown in the ranch riding. He is mellow and low headed for all types of riders. Trip is the same horse every day. He has been roped off of and has been ridden around cattle. We have even used him on trails and for novice riders.

If you're looking for one of the prettiest horses, here he is! Ruger is not only gorgeous, but he's also a true gentleman! He's as gentle as can be. So gentle that he lets young children sit on his back in his stall and happily takes them for pony rides in the arena. Ruger is excellent in so many aspects, including the reining events. He's earned a respectable \$4,578.16 in NRHA money. Ruger is wonderful in the ranch riding as well and has a lot of style to get you noticed. He loves being outside and will happily trail ride all day! He is easy-going and never crabby or sour. Ruger's manners are second to none. He's polite for grooming, bathing, clipping, and saddling. He is a big boy but is happy to stand still at the mounting block. Ruger's gaits are all incredibly smooth and he is a beautiful mover. If you're looking to go into the show pen, he has excellent sliding stops, spins, circles, and is push-button through his lead changes. Ruger will be your next winning show horse, or prized trail companion, and will turn heads while doing it. Don't be surprised when people stop to ask if they can take a picture with him, I've had that happen almost every time we take him any place! He came from the original breeder and owner; he has not been passed around and is very special. Ruger is one that checks all the boxes, don't miss out on this one!

Smoke is a nice, young gelding that has tons of shape and eye appeal. He is a very well-mannered horse on the ground and under saddle. Smoke has a very easy handle to him and is the prettiest traveler around. He has a good neck rein, moves well off leg pressure, and is a big stopper. Whether you ride every day or once a month, this horse can handle the time off. We have used him to check on cattle and fence. Smoke is sure footed out on the trail and goes through all terrain and obstacles. He always rides quiet and collected whether you are working in the arena or riding outside. Smoke is just about as close to perfect as you can make a young horse.

The best part about him? You can cut a cow and then walk off quietly. He's been hauled all over the country and has \$2,673.60 in NRCHA earnings to his name. He won the IRCHA Futurity as a 3 yr old and has been consistent since. He's such a great horse! Anybody can ride him. He's won in both the Open, and Non-Pro divisions. Seven has a lot of feel and does whatever is asked of him without hesitation. Seven is a humble guy for having such big accomplishments. He's ready to go on and win for his next rider or be the best forever all-around horse. He is not spooky. He's been trail ridden, roped off of, been used at brandings, etc. He has effortless gaits; we love riding him. He will jog or long trot all day, both very smooth. He lopes like a big, pretty pleasure horse, the good kind. He will turn it up and go faster if you need him to, but he won't leave you either. Seven spins a hole in the ground and has a BIG stop. His lead changes are EFFORTLESS. He's great in a stall, in a herd, turned outside, or kept in. Excellent ground manners. We've had him for a couple of years now and think the world of him.

Pedro is a 15.1 hand registered buckskin/dun gelding. He's solid colored, has a ton of muscling, is conformationally correct, and is absolutely beautiful. Pedro is great minded and INCREDIBLY versatile. He is double registered AQHA and ABRA. He's quiet enough to be easily maintained by an amateur. He has been shown extensively in the Versatility Ranch Horse Association events successfully. In 2022, Pedro was the Intl Ranch Horse Association RESERVE HIGH POINT horse. He finished in the Top 10 at the IQHA Ranch Horse Breeders Futurity as a 2-yr old. He excelled in the Non-Pro Ranch Trail divisions especially. He has also been titled the All-Around Champion at numerous VRH sanctioned events, and he has VRH points as well as AQHA points to prove it. Pedro has seen many miles of trails and has been on overnight trail rides as well as day-long trips. While he excels in the ranch riding, he's a solid contender in everything else he's been shown in. He crosses water, drags logs/calves, can be roped off of, etc. Pedro will work a cow or buffalo with ease. He is soft faced, has a wonderful long trot, and has a slow smooth lope. He's a blast to ride! If you're not looking for your next champion show horse, that's perfectly fine too. Pedro is just as content to be your day work companion or your leisure horse too.

Zorro or "Z" as we call him, is incredibly special for so many reasons! Zorro is rock solid and completely reliable in all aspects. He's gorgeous to look at, bred incredibly well, and has NRHA LTE \$4,962.74 and counting! I was lucky enough to show him this year for the Rookie division, and he won every class I entered him in. We decided to bring him to the NRHA Futurity show this year, last minute, and he was a rockstar there too. He stays broke, and is good turned out, or in his stall, and he doesn't get fresh or act silly. Zorro is nothing if not consistent. Easy +1 spins and +½ all other maneuvers with ease. He's 14.3 hands and STOUT. He has a demeanor as kind as they come and is absolutely stunning. Zorro has been ridden outside extensively. He's gentle enough for a beginner and small children to handle. He's proven himself a winner in the ranch horse classes and enjoys all aspects of the ranch classes including trail! Zorro has been around cattle, dogs, children, etc. I've never found anything that phases him. He will let kids ride him. He rides bareback without a bridle; he is ONE IN A MILLION! If we didn't sell horses for a living, I would never part with this one. He is totally sound and is always the easiest horse to be around and always does what you ask of him.

This is one of the sweetest horses we've ever owned. Donut is filled with try and sprinkled with talent! He's an OWN SON of GUNNER, who's LTE is \$177k and has sired over \$16 million in earnings. He's out of Miss Brim Star, who's won \$49,926 herself, and produced nearly \$112k. Wise beyond his years and has a great work ethic! We love his disposition and ground manners. With all his talent and ability, we see an untapped potential. He already has a solid reining foundation, with a strong stop, clean turn around, and cadenced circles. He has the size, agility, speed, and the mind to make a switch end rope horse too. He has been started on the hot heels where he rates and tracks great. Looking for a show horse? He would excel in the ranch horse classes. He's straight legged and as correct as they come with balance and profile that can't be faulted. On the rail, he travels level, smooth, and clean with a happy expression. He's started in the trail and he's very careful, inquisitive and brave with the obstacles. Outside, Donut will go anywhere you point him. Cross the creek, through the ditch, amongst the cows, or down the trails, it won't phase Donut. He's gentle and can handle time off without trouble. It's no wonder our 10 & 12 year olds love riding him. They know they can expect the same horse every time. Life is short, buy the Donut! Guaranteed you won't regret it.

2018 Bay Roan Draft Cross Gelding ~ 16.2 Hands

Clay is a big, beautiful, bay roan, 16.2 hand, 1700 lbs, 7 year old Belgian/Quarter Horse cross gelding that is very GENTLE. Clay has been on multiple trail rides and ridden on the ranch where he walks flat footed and handles everything with ease. He will cross bridges, rivers, creeks, and downfall. Clay has a very laid back, willing personality. He stands well to be brushed, bathed, clipped, and shod. You can catch him anywhere and leave him tied all day without any trouble. He will step right off into a lope and stays at the same speed you ask him to go. Clay will step over his hocks and stop well when asked. Clay is also soft in the face and ribcage, as he will flex and move laterally with ease. He handles tarps, whips, flags, and balls without a problem. You can lead him over to a gate or fence which he will side pass over to and stand for you to mount. Clay is built to last a lifetime even in the most rugged terrain you can find. He is an enjoyable horse to ride. Clay is also broke to drive. We have driven him single, double, in multiples and have put him on either side or in middle. He stands well to hook up and rest. Nothing we have thrown at this gelding has seemed to rattle him. In fact, we have owned and trained several relatives to this gelding, and they all have that same gentle demeanor and people friendly personality. We have owned Clay for 3 years now and have thoroughly enjoyed him every day. Current on dental, deworming, and farrier.

Horton is as flashy as you can make one! He is a gorgeous bay color with four white legs. He's also double registered! I've had this gelding in training since he was a yearling and he's an absolute pleasure to have in the barn. He comes out every day and loves to have all the attention on him. Horton is a great mover, and we believe he would be very competitive in the ranch riding. He has had over two years of reining training and was shown by a non-pro in the futurities with great success and allowed his rider to build confidence. Horton is a pleaser and never says no to anything you throw at him. He's 4 years old, but has a mind like a 10 year old! We've also taken him outside a bunch, and nothing ever seems to bother him. Don't miss out on this great-minded gelding.

His name says it all, "That's So Cool." Woodrow is by SG Frozen Enterprize. He's a gorgeous palomino with a ton of mane and tail! He stands 14.2 hands tall and is solid-made. He has big doe eyes and a pretty head too! Woodrow is a barn favorite; he is as sweet as can be and has no bad days. He is super fun to ride, low headed, soft in the bridle, and more whoa than go. He is easy to get along with! Woodrow has 3 incredibly smooth gaits and will also long trot competitively for all the ranch classes. He's been ridden outside as well. Not much phases him! Woodrow has a lot of stop to him and spins with ease. We love watching him circle too! He's easy to have around and can be kept out in a pasture or stalled. He's a VERY easy keeper and is "efficient". In other words, he's pretty chunky most of the time. We love this gelding, and you will, too!

Holy smokes - we have brought you one of the nicest geldings we've had around in a long time! Cade is gorgeous with a shiny red color, four white legs, and white strip will for sure win you over. He spent the first 1 1/2 years in the care of Cade McCutcheon reining horses where he learned all the reining maneuvers and got extremely broke. He will excel if you choose to go show him in the reining or the ranch riding. We have been riding him outside and have taken him down the road. He is great and doesn't spook or shy at anything. We have also played with the ball and tarps; nothing seems to bother him. Cade also likes to bring in the roping steers and push cattle back. He doesn't mind opening and closing gates and side passes very well. Cade is a quiet gelding the whole family can enjoy.

Capone is a 14.3 hand palomino AQHA gelding with a ton of eye appeal. His sire is HF Mobster and his dam is Bay Lady Surprise, who is a producer herself. Capone has a long white mane and tail, bright white socks, and a bald face. Whether he is asked to be a show pony, a trail horse or a companion, he loves his job and is super reliable! Capone is SAFE, SAFE, SAFE! He's a finished reiner, and has excelled in the ranch reining, and all ranch versatility classes. He's a proven winner and has a show record to back it up! Capone is solid and you won't be able to spook him! He crosses water, logs, ground fall, etc. with ease. He will ride out alone or in a group. He is the same horse in the show pen as he is at home. Capone has very easy to ride maneuvers, and his gaits are consistent and smooth. He has a lot of turn and a ton of stop! He will jog for days too. Capone is soft in the bridle and is more "whoa" than go. He is sound in every way imaginable and does not require any maintenance or shoes. We have him shod because we've been riding a ton outside, but they aren't a requirement. Capone stands like a perfect gentleman and loves attention. He is good to bathe, clip, etc. Capone loads into any type of trailer and is just an all-around good guy.

"Dorito" is a 14.2 hand sorrel gelding with white roan hair all over his body, and a big blaze. He's bred the best, and it shows! He has a thick mane and a couple of white socks to boot. He has \$457.67 NCHA money earned with limited showing. Dorito is as solid as they come. He is super athletic, but also dead broke and quiet for all riders. Turn him on and then turn him down, he's going to be fine either way. He has been trail ridden, pasture roped off of, but he really loves to cut and sort cattle. He has a TON of cow. He's won thousands in the sorting, and cuts well enough to go show. We love this fun little gelding, and you will too!

Here's a fancy bay gelding sired by the great Cromed Out Mercedes! Fergus is a fully trained reiner. They've used this gelding to do all the trail obstacles, and you can even shoot a gun off of him! He's very simple to ride and to get into all 3 gaits. He is attentive to his riders' cues and is very willing. He has all the fancy buttons but is uncomplicated to ride for all levels. We've also had him on cattle, and he loves to work them. There isn't much that this gelding hasn't seen outside or inside the arena. Fergus has also been rolling the hot-heels for a while now and we think he would make an excellent roping horse. You can get on and off him with a mounting block. He also stands great for the farrier and saddling. He's a solid gelding that doesn't mind if you give him time off and never has gotten fresh on us. Whatever you want to throw at this gelding to do, he will never say no. True all-around gelding that you will love to have around.

He is a 2017 model double registered AQHA and NSBA gelding! He is sired by VF Flatline going back to Lazy Loper. We have had Zip for almost a year. During that time, we have done a little bit of everything with him. He has been out on the ranch roping and doctoring, and he has checked and sorted cows as well. Zip has a lope to die for! He lopes nice slow circles with the reins draped loose, he catches the correct leads, slide stops and spins around nice. We have had Zip on several camping trips to other states and he is a great trail horse that the whole family can enjoy and feel safe on. Zip is perfectly content to mosey along down the trail and loves going on trail rides. He will cross creeks, ditches, logs, and navigates rough, rocky areas. Zip has seen all kinds of wildlife and will go anywhere that he is asked to. If you need a horse that is easy on your back, easy on your rear end, and one that will give you peace of mind with confidence in the saddle... Zip is the horse to fill that bill!

Freckles is fancy broke with a great handle on him. He will trot all day, lope big, slow pretty circles, and spin a hole in the ground. He is as quiet as you can find too. Freckles is more whoa than go, but he is bold and confident riding on the trails and in the arena. He is a blast to ride and is easy to keep around. He's seen cattle and has moved them around. Whiz is versatile and has a "can-do" friendly attitude. He spent time in training with Shawn Florida, where he started all the reining maneuvers. He's laid back and prefers a slower pace but will absolutely move out when his rider asks him to. Whiz has a SUPER cute jog, a ground-covering long trot, and is a great loper - all of his gaits are solid and smooth. He has a gorgeous set of flying lead changes! We've had him for a year and in that time, we have done a lot of outside riding. He has experience around the ranch checking cattle, opening and closing gates, trail riding all over, etc. In addition to all of this, Whiz was shown for a year in the Ranch Riding, Ranch Trail, and Halter/Conformation classes with great success. He has wonderful transitions and expression while being ridden, so he's an easy stand out horse in the crowd. He is a true ranch horse that has lots of experience being used to doctor and catch cattle, and working at the feed yards to sort, pen, and load trucks. This is a true work horse that has done it all and has seen it all. In the arena, he has a nice one hand neck rein, takes both leads and rides well. He's got a good slow lope and nice big stop. As good as he is out in the field, he's just as good riding around in the arena. Coffee has also been hauled to rodeos and can step into any event. Out on the trails, he rides on a loose rein and has a nice slow walk. He's great in water, crossing roads, and will cross over any and all obstacles.

Strait is one of those geldings that anyone could use in their barn! We have used him for just about everything from moving cows and doctoring, to all day trail rides, turning back in the cutting, or just riding in the arena. He is one that will surely turn heads standing about 15.1, 1300 lbs with four white legs and a bald face! He is super gentle and safe. He always meets you at the gate and just wants to be your friend! This gelding is one that we have put through all the tests in and out of the arena. He is traffic safe, crosses the water - nothing bothers him whatsoever out on the trails. We have lightly started him on the head side roping the hot heels and have run a few slower steers. You can use him all day and he is the same horse from when you start all the way to the end. We have been using him lately to turn back for all the cutters here at the house while just giving a few lessons on him. He is the easiest going one we have on the place. He does everything from riding bridleless to opening gates and moving cattle to going through the obstacles we have set up. We are very happy to offer this gelding to the public and are sure whoever buys him will be happy with him and enjoy him as much as we have. He is as gentle as they come. Strait is just 7 years old and has all the shape, size, and chrome anyone could ask for.
